

iBT Manual Height Adjustable Floor Stand

Interactive . RealTime . Collaboration

iBTMSS-6580-01

Supports up to 150kg

Suitable for 65", 75" & 84"

Adjustable screen height

Continuous vertical adjustment screen height from 55" up to 67" sliding along the aluminum main post for perfect viewing height.

Adjustable AV metal shelf

This adjustable metal shelf holds AV components and accessories up to 10lbs. It allows you to slide vertically along the main aluminum post to your desired height.

Swivel caster brake wheels

Carts come with 4" swivel caster brake wheels provide you with easily maneuvers to any direction and position.

Full welded, high tensile heavy gauge steel base with white powder coat finish provides rigidity and stability in use.

Standard video tray

The video tray is a standard attachment for AVT1800-100-1P. This video tray enables to adjust height vertically freely within the slot for perfect video conference position.

Integrated cable management system

Internal cable management allows cables and wires to be routed inside the column for clean, clutter-free look.

Double Posts design

Two solid extrusion aluminum alloy column provides stable and rigid support for TV panel.
